A rare combination: elite freestyle football and high-level juggling in a single act.

Cory Black is a Seattle-based performer who combines elite freestyle football with high-level juggling — a pairing few acts anywhere offer. With 16 years of freestyle and 11 years of juggling, he has performed 300+ shows for corporate events, festivals, sporting events, and touring circus productions nationwide. He's earned a reputation for polished performances and smooth collaboration with event organizers.
